

## Company Profile

Runming in Chinese refers to the water to grow tea trees. Established in 2009, now we have cooperated with many big tea companies in Germany, UK, France, USA, Canada and so on.

We wholesale various of high quality traditional Chinese teas from our tea farms/factories by our annual tea trips. We are CERES organic-certified tea exporter and exported many organic teas all around the world with organic certificate.

No pesticides tea is another sector we mainly focus on, such as green tea, white tea, oolong tea, black tea and so on .

We have very professional warehouses to store different types of tea, to maintain their super freshness/best conditions before presenting to our clients.

It is very honor that we have produced many OEM tea & tea ware products for our clients, such as blooming tea, matcha serving, jasmine tea & matcha accessories and so on.

Look forward to cooperate with you.
